

## Using Novel CAA Transparency Data Sets Will Positively Impact Your Health Care Costs

With the availability of new datasets, PBGH is offering a suite of services that identify potential cost savings in your systems of care, while supporting compliance with the rules and regulations of the Consolidated Appropriations Act (CAA).

Utilize PBGH's innovative methods to effectively manage the benefits of your employees and members.

- **Reduce costs and improve health care quality** by accessing your data in new ways.
- **Gain visibility into health care cost performance** by geography, hospitals, networks and market basket performance.

### Services

**Commercial Fair Cost Benchmarks:** Use benchmarks to compare your actual results against other available networks.

**Network Optimization Evaluation:** Gain the insights you need to make effective decisions on how to optimize your network in geographies nationwide.

**Network Quality and Performance:** Ensure your vendors and providers deliver the quality of care you and your employees pay for and deserve.

**Carriers and TPA Selection and Plan Management:** By leveraging the latest transparency data, we help you vet and select new vendors and manage your health plans.

### Why PBGH is the Ideal Choice for Your Organization

**Unconflicted Advisor:** PBGH is a mission-based organization working solely in the interest of employers and purchasers. We are an unconflicted partner dedicated to your success. We do not accept industry commissions.

**Unparalleled Expertise:** Our team consists of industry-leading experts who are always up-to-date with the latest knowledge and trends.

**Tailored Solutions:** Each project is customized to meet your unique requirements and objectives.

**Clear and Fair Pricing:** Our pricing is transparent and based on the scope of your project. We bill strictly time and materials, guaranteeing that you receive true value for your investment. Due to our cost structure and mission orientation, our rates are lower than typical for-profit consultants.
