### BHI - CYCLE Connect - June 2025

“Every ending is a beginning. We just don’t know it at the time.”

—*Mitch Albom*

Can you believe the BHI-CYCLE program wraps up this month? The BHI-CYCLE team is so grateful and appreciative of the time we have spent connecting and learning from each other over the last eight months. We hope you have found value in the collaborative and the lessons and connections help you to continue enriching your BHI programs.

### Learning Events

Join us Monday, June 2 (12 p.m. – 1 p.m.) for the BHI – CYCLE Commons Webinar, Lessons Learned and Closing. Each team will have the opportunity to share about the below three questions, followed by key takeaways from the CQC and Rady Children's Hospital team. **Reminder: Send us a photo of your mini bicycle from the site visit to be featured in our final Commons!**

1. *What were you trying to cultivate (BHI-CYCLE Project Focus), and how did it go?*
2. *How did BHI-CYCLE help your BHI program grow?*
3. *What would you share as a recommendation to spread integration for children in California?*
