CalHIVE BHI Connect - May 2025

We look forward to connecting and collaborating at our upcoming annual CalHIVE BHI Convening in less than two weeks on Tuesday, May 13 in beautiful Long Beach. Thank you to all teams for returning your pre-work; attendees should be on the look out for additional communications this week with event details and individual organization-level data packets.

Learning Events

In case you can't attend, all materials from the CalHIVE BHI convening will be saved [here](#).

Data

Data Office Hours are changing! They will now be called Data BeeHIVES; all CalHIVE BHI participants can attend these sessions to hear insights from the most recent data cycle trends, including both individual and cohort-level data performance. These webinars are great opportunities to ask questions of each other and build a deeper understanding of your data. Updated calendar invitations will be sent later this month; the next Data BeeHIVE will be Thursday, June 26th from 12 p.m. – 12:45 p.m.

Thank you to all teams who submitted Cycle 4 [pilot site](#) and [global reporting](#) data. This data is now available in Tableau. Please take time to review your dashboards and discuss any potential factors influencing your performance with your Improvement Advisor.

Cycle 5 Data Webinar will be held on Thursday, June 12 at 12:00 p.m. Please register using the link provided in the calendar invitation.

If you have any questions, don't hesitate to reach out to [Jose](#) or your improvement advisor.

Improvement Advising

After the CalHIVE BHI convening, each team will update and submit the final version of the Behavioral Health Equity Improvement Plan by Tuesday, May 27, 2025.

By the end of May, your IA will review the third IMAT and agree on scores, an important step in preparing for Program Year 2 Payment. Our team is preparing each provider organization's individual deliverables checklist for the upcoming payment process, which all teams will receive in early June.

Mental Health Awareness Month

ICYMI: May is Mental Health Awareness month, established in 1949 to bring awareness to the importance of mental health and wellness, and celebrate recovery. You can find resources about internal, external and patient facing awareness campaigns [here](#), including a [Mental Health Awareness Toolkit](#).

Resource Spotlight

- The CHCF Leadership Program Cohort 25 applications are now open. Sponsored by the California Health Care Foundation (CHCF) and developed by Healthforce Center at UCSF, this program is widely recognized as a transformative experience for clinicians who want to expand their leadership capacity and support healthcare improvement in a competitive, complex environment. Find all information and how to apply at [CHCF](#)

[Health Care Leadership Program website.](#)

The application deadline is May 23, 2025.

- [California Primary Care Association – Dyadic Care Webinar Series](#) – Join the final webinar, Setting Your Practice Up for Success – Dyadic Care Workflows/Operations and Implementation in Clinics, in CPCA's 4-part webinar series on dyadic care. The webinar is Wednesday, May 7, 12 p.m. – 1:30 p.m. [Register Here](#). If you missed the other 3 webinars, you can find select resources on the [CalHIVE BHI website](#) under the Pediatric BHI Resources tab.
