

Debbie Lindes, MD, MPH Manager, Health Care Delivery System Group, California Department of Health Care Access and Information, Office of Health Care Affordability

Debbie Lindes, MD, MPH manages the Health Care Delivery System Group at the California Department of Health Care Access and Information's Office of Health Care Affordability (OHCA). She leads OHCA's work to measure primary care and behavioral health spending and set associated statewide investment benchmarks, to monitor primary care sector performance via the HCAI Annual Primary Care Snapshot, and to monitor health care workforce stability. These efforts to promote a value-based health care system complement OHCA's spending growth targets to improve health care quality, affordability and equity in California. Prior to joining OHCA, Debbie practiced primary care internal medicine for more than a decade.
