

**Julia Logan, MD, MPH, Chief Clinical Director,
California Public Employees' Retirement
System (CalPERS)**

Dr. Logan is the Chief Clinical Director at the California Public Employees' Retirement System (CalPERS), the 2nd largest purchaser of health care in the United States. Dr. Logan oversees clinical policy for the CalPERS health plans and leads the Department's clinical quality and health equity work. Prior to coming to CalPERS, Dr. Logan was the Associate Medical Director at the California Department of Health Care Services. She is board certified in Public Health and General Preventive Medicine as well as Family Medicine. She continues to volunteer her time as a family physician at Davis Community Clinic, a Federally Qualified Health Center, in Davis, CA and is on the faculty of the California Department of Public Health Preventive Medicine Residency Program.
