CalHIVE BHI Connect – June 2026 (Final Edition)

As we come to the close of the CalHIVE Behavioral Health Integration program, our team wanted to express our sincere gratitude to each of you. It has been an honor to work alongside such a dedicated, thoughtful, and committed group of leaders and teams. We continue to be deeply impressed by the passion you bring to this work, the creativity you've shown in navigating challenges, and your unwavering commitment to advancing integrated care for your communities. The progress made through your efforts is meaningful and lasting, and it's clear that the impact of this work will extend well beyond the life of this program.

While this chapter is coming to a close, the relationships and shared purpose we've

built together remain. Please know that you are always part of the CalHIVE BHI community: we're just a call or email away if you need support, a sounding board, or a connection.

Thank you again for all that you've contributed. Wishing you continued success and momentum in the important work ahead – and we know you'll continue to seed and spread integrated care.

With appreciation,

The CalHIVE BHI Team (Anna, Kristina, Peter, Lesley & Brian) 🧡
